Dedication to the New

Because the Scottsdale Joint High School is a symbol of the present and its opportunities, and of the future and its promises, the 1959 SCOTTIE is dedicated in appreciation to this our Alma Mater and to the people of

the Scottsdale Joint School System who, because of their faith in the irresistible power of education, have erected this building.

This is the school which the people of the Scottsdale Joint School System have built. It has been built because these people believe in education. They believe that education bears the torch that enlightens the world, fires the imagination of man, and feeds

the flame of genius. They believe that education enables man to hold dominion over earth, sea, and air. They believe that education is freedom's citadel, the arm of democracy, the hope of youth, the pride of maturity, and the joy of old age.

These are the people who have dreamed and wrought that education might be advanced in this place and in this way. To them ignorance is a curse which only education can remove. In them is exemplified the dignity of teaching and the joy of serving others.

Scottdale Joint High School

*Scottdale Borough School District
Upper Tyrone Twp. School District
Everson Borough School District*

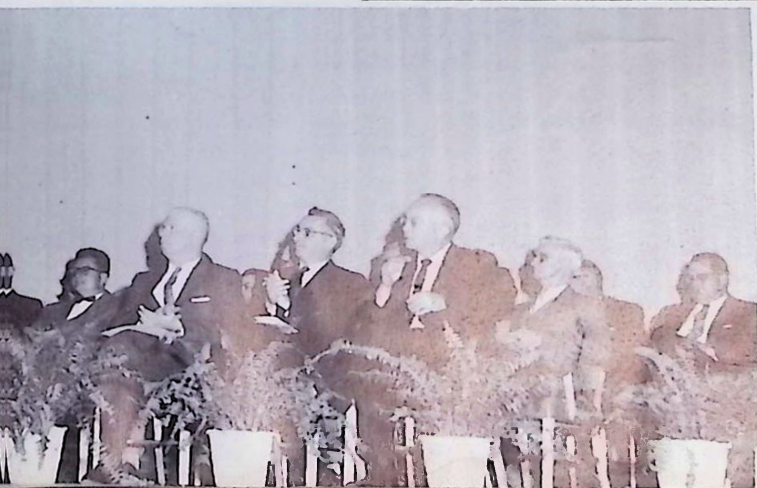

The site for the Scottdale Joint High School was purchased on June 22, 1953, and ground was broken for the building on December 21, 1955. The first use of the building was for a basketball game on January 14, 1958, and the first day of full use was September 3, 1958. Impressive dedication ceremonies were

held November 13, 1958.

The capacity of the building is 800 pupils. The total cost was \$1,596,621.26 which is to be paid over a period of thirty-eight years.

This is the door to education. Those who enter here enter to learn that they may go forth to serve.

This is the door to opportunity where ambitions are stirred, ideals are stimulated, ignorance is banished, vice discouraged and anarchy disarmed.

Honorable Evelyn G. Henzel who gave the address for the dedication held November 13, 1958.

In Appreciation

ETHEL J. LOUCKS

"From kindergarten days — one has many teachers.

As the years roll on they blend and fade into a hazy background — many are forgotten — some are but a faint memory — but an occasional one remains brilliantly etched in your memory for the lessons taught — the hope instilled — the ambitions fired — and the ideals impressed into your consciousness." Van B. Hooper

Many teachers hope and pray that they will be remembered by their former students for some small contribution that they might have made in the lives of their pupils.

Ethel J. Loucks, recently retired from the Scottdale Joint School System, will long be remembered by her former pupils for the fine example she set for them in her classes.

Miss Loucks received her elementary and secondary education in the Scottdale public schools. Following her graduation from high school she enrolled at the University of Pittsburgh and graduated with a B.S. in Economics. To this additional hours of work was done in extension and summer courses.

In the fall of 1920, she began her teaching career in Latrobe High School. In the following year we find that she had transferred to Altoona High School, where she remained three years before return-

ing to Scottdale. From the fall of 1925 until her retirement she taught Latin, civics, and English in the Scottdale schools.

Never once, in her busy daily schedule, was Miss Loucks kept from giving that extra bit of encouragement that might be needed by those who had hit a rough spot in his or her assignment.

Much credit for the many successful issues of the SCOTTIE is due to her watchful eye for any slight flaw. Many hours of hard work went into the editing of the material and the pasted classes owe her a debt of gratitude and a hearty thanks.

Europe and the British Isles had a fascination for Miss Loucks. Other favorite vacation spots were Lake Chautaugua and Wilson College campus for the Frick Educational Conferences.

She held membership in the local, state, and national educational associations. While in Scottdale she held office in the local branch and became a life member of the N.E.A.

Not only the educational organizations felt her influence, but also the P.T.A. which she served faithfully by holding several offices.

Busy as she might be, there was always a place for her community interests, chief of which is the Scottdale Book Club.

May it truly be said by those who sat in her classes, "Well done."

In Appreciation

ANNE R. DICK

Ann R. Dick, recently retired from the Scottdale Joint School System, has left a profound impression upon her former students and her fellow professional associates.

Her grade school and high school education were received in the public schools of her home town, Scottdale. To further her education she enrolled at Wilson College, Chambersburg, Pennsylvania. Upon graduation from Wilson with an A.B. degree, she was qualified to teach English, German, and history in the schools of Pennsylvania.

Elected to the faculty of the Scottdale schools, she began teaching in the Chestnut Street Building, but was soon transferred to the high school where she became a teacher of social studies, especially sophomore history. During her career she also taught Latin and problems of democracy.

A much remembered experience, which she shared with her students, was a tour of Europe, taken a few years following World War I.

During her tenure, she participated in the local, state and national

education associations. She served the local association as secretary for several years.

The local and national honor society chapters were fortunate indeed to have her wisdom and vast store of knowledge to assist them in the early years of formation and organization. Miss Dick acted as sponsor of this group from its beginning in 1942 to her retirement in 1958.

Faithfulness and dependability are just two of the many traits that can be used to describe Miss Dick. Her former students can attest to this as they sought her out when returning to school for a visit or had her as a guest at their class reunions.

Beginning her teaching career in 1920 in the Scottdale Public School System, she brought it to a close in the Scottdale Joint School System in 1958 after 38 years of faithful service.

"If I supply you with a thought, you may remember it and you may not. But if I can make you think a thought for yourself, I have indeed added to your stature."

University of Pittsburgh M.Ed., Ph.D.

A GIANT STEP IN EDUCATION

The people of any community will get exactly the kind of schools they deserve. Because of the progressive spirit of the people in this area in providing the very best school building in Pennsylvania, they deserve the very best kind of high school education.

This is the challenge which the board of school directors, the administrators, and the teachers are prepared to accept. It is also the challenge to which the students of the Scottdale Joint High must respond, for the old saying is true that "you can lead a horse to water but you can't make him drink." Learning, like drinking, is something that everyone must do for himself.

Every effort has been made to do as much as possible to improve the quality of education through additions to the curriculum and through emphasis on fundamentals. We believe that these efforts are already successful and that their effectiveness will increase. We realize that no effort must be considered as final. There must be a continuous process of improvement. Many

more changes will be made just as soon as people are ready to accept them and money is available to finance them.

The new Scottdale Joint High School is a giant step in education in this area. One does not get far, however, by one step alone. The first step must be followed by others, and these by still others, if we are even to keep up with the pace that the world is moving. To bring our school into step with other advancing developments in American life, we must lay the foundations carefully.

The first half of the twentieth century accomplished quantity in education — education for everyone. The second half of the century shall emphasize quality in education. We hope to achieve quality in education for the children of the Scottdale Joint School System, and the new high school building is the first step — a giant step — in reaching that goal.

Much has been said about the new Joint High School and what it has meant to you and will mean to those who follow you in succeeding years.

Merely to be proud of the physical structure of the new school "on the hill" is not enough. You as a graduate must not forget your obligation to the school. It must grow as you grow.

Constant revision of our educational philosophies is necessary. As time passes you will be called upon to adjust to changing trends. So will it be dependent upon you to guide those changes. You must be willing to take the time to become acquainted with its problems and to face your community obligations squarely.

As you enter life's running stream, do not allow your school to become the backwaters of your total efforts.

In the building of the new high school, the people, served by the Scottdale Joint School, have secured for us the educational facilities which have been long overdue for the boys and girls of secondary school age. This implies that now the students in the Scottdale Joint High School should receive a better education than was possible previously. It is to be hoped that our new building will serve as a challenge to the people in our community, to teachers and to students, and that we will be motivated to work together to make a tremendous surge forward in the education of young people in our school.

SONG: Till the End

At the end of our school years
Our separate ways we'll go.
At the time of our parting
Our tears will freely flow.
But our hearts will remember
Our days of high school life
And our joys will continue
Without any strife.
At the ends of the hallways
You'll find us nevermore
Till the day of extinction
This school our hearts will lure.
But just try to forget it
We must elude its call
But our thoughts will go on
Remembering it all.
As we look to the future
A hazy world we see
As we glance at the past year
A fun-filled time had we
But we all have a treasure
The sentimental kind
And it's locked in our hearts
Till the end of time
Till the end of time.

FLORENCE KILIANY

Class of '59

FLORENCE KILIANY

Flo

Commercial Club 2,3; Cheering Section 1,2.

Her merry chuckles were as catchy as the German measles; you just couldn't help it but be gay when you were around her. On roller skates you could almost mistake Flo for a flying Marathon.

THOMAS KILLINGER

Dilly

One guy you just couldn't keep still. Always on the go in his big hot Chevy. Tom was one of the gang that kept the Nut Shop in business.

VIRGINIA KILLINGER

Ginger

Commercial Club 1,2,3; G.A.A. 1,2,3; Tri Hi-Y 1,2,3; Chorus 1,2,3; Dramatics 3.

A shy, pensive miss with a discerning smile and pleasant disposition. Loyalty, and devotion were only a few of the characteristics that attributed to her qualities of a good friend.

THOMAS KILLINGER

KEITH KING

Keith

Chess Club 3.

Always yaking and wising-off in a good natured way. His jokes were always very well received by all???? You could tell there was a storm brewing when you heard Keith's gale of laughter.

FLOYD KLESPSKY

Floyd

Full of fun and merriment. Just couldn't resist agitating and poking fun at one and all. He loved getting those library permits so that he could roam the halls.

VIRGINIA KILLINGER

KEITH KING

FLOYD KLEPSKY

Seniors

WENDELL KLINGENSMITH

Dell

Journalism 2; Scottie Revue 3; Hi-Y 2,3; Chorus 1,2,3; Golf 1,2,3; Honor Society 3; Student Council 2,3.

His humorous sarcasm kept everyone guessing?? Dell's school life was kept busy by many projects of the various clubs. He was chosen as a member to Honor Society in the senior year.

WENDELL KLINGENSMITH

GERALDINE LAZOR

Gerry

Commercial Club 2; Cheering Section 1; Camera Club 2,3; Tri Hi-Y 1,2,3.

A lively little carefree female who just beams with excitement. And she's anything but quiet . . . just chatters on like a monkey . . . carries on like one too. Undying loyalty to "Peanuts."

CAROLYN LEONARD

Carolyn

Cheering Section 1; Tri Hi-Y 1.

Doesn't mind hearing bells — as long as its the tingling of wedding bells — for her and Dale. Added volume to those cheers . . . always there to applaud our team to victory.

JAMES LIPPS

Picklehead

Archery 3.

Never a dull moment when Jim's around. Just lived for the chance to pull a new gag. Roller skating and swimming were his favorites of letting off steam. A cute "Picklehead."

DARL LOCHINGER

Buck

Class Vice-President 1,3; Student Council 1,2,3; Honor Society 2,3; Basketball 1,2,3; Hi-Y 2,3; Football 1,2,3; Track 1; Chorus 1,3.

One of our senior personalities is Buck. Quiet and reserved manner often fooled lots of folks. Did a wonderful job at both basketball and football. His "Little Blue Beeper" took him where ever he wanted to go.

GERALDINE LAZOR

Class of '59

JUDY LUTE

Yearbook 3; Cheering Section 1; F.H.A. 1; Tri Hi-Y 1,2,3.

This cheery lass had a laugh all her own. One of her main interests used to be roller-skating but a little black Ford seems to be making more headway.

Judy, Jud

PATRICIA LUDWICK

Commercial Club 1,2,3; Cheering Section 1; Camera Club 2; Chorus 1.

Pat's not quite as quiet as she looks especially around her best pals. An easy going manner delicate ways earned this modest maiden many friends.

Pat

JAMES MALONE

Football 1,2,3; Track 2,3.

This classmate is hard to describe in thirty words. School was only a means to get to his end — the football field. Jim played hard in every game, always in there to win.

Jim

CONSTANCE MARCHEWKA

Commercial Club 1,2,3; Cheering Section 1,2; Camera Club 2; G.A.A. 2,3; Tri Hi-Y 1,2,3; Dramatics 3.

Adorable and sweet, though a teeny-weeny, bit scatterbrained. Her zany ways kept everyone laughing. An amusing little package of blushes and giggles. Her personality will make her a sure success.

Connie

MAXINE McCUSKER

Commercial Club 3.

Although she appears to be quiet in class she could talk a blue streak when with her friends. Constructed very neat in a way that can't be beat.

DANIEL McGOVERN

Mac

Basketball 3.

Livened up the class trip to Washington with his imitation of Ricky . . . it sounded like the real "MacCoy." Went for basketball in a big way and also a certain little girl with "Sandy" colored hair.

DANIEL McGOVERN

SANDRA MICHAEL

Sandy

Yearbook Co-Editor 3; Journalism Club 2; F.H.A. 1,2,3; Tri Hi-Y 3; Dramatics 2,3; Student Librarian 3.

Very dependable and hard working when it came to work for the yearbook. Although a constant tease . . . she was a busy little bee . . . that some how managed to save time for that one special HE. Who????

SANDRA MICHAEL

CHARLES MILLSLAGE

Chuck

Basketball 1,2; Football Manager 1; Track 1,2,3.

A stately build, blond flat-top, and a flashing smile were his charms that sent the girls running to his arms. Ohhhh . . . that suntan. It was a pure pleasure to be drowning when Chuck was there to save you.

PHYLLIS MORRISON

Phyl

Student Council 3; G.A.A. 2,3; Tri Hi-Y 2; Chorus 1,2,3.

Phyl had a superb alto voice and really loved to sing. She was packed with pep and liked dancing, musical instruments, and "Jitterbugging."

BARBARA MOSER

Barb

Student Council 3; Majorette 2,3; Commercial Club 1,2,3; Cheering Section 1; Journalism 2; Chorus 1,2,3; Tri Hi-Y 1,2,3; G.A.A. 1,2,3; Dramatics 3; Gridiron Attendant. One of the Scotties snappy majorettes. Truly described as beautiful. Came completely arrayed in gold for her big night as Gridiron attendant. She finally passed her driving test this year, and got her license.

BARBARA MOSER

JACQUELINE MUZINA

Jackie

Class Secretary 3; Student Council 1,2,3; Band 1,2,3; Tri Hi-Y 1,2,3; Chorus 1,3; Dramatics 3; Sweetheart Attendant; Gridiron Attendant.

Pretty as a picture and twice as nice too. Dependable and understanding. Kept the boys in a spin with her mysteriousness. Her head was sometimes in the clouds but she made sure both feet were firmly on the ground. Popular with both sexes!!!

DANIEL MYERS

Dan

Code-Slide Rule Club 3; Camera Club 3.

A tall, blond boy is Dan . . . loves to hear jokes especially in the midst of class. Dan's long legs always carried him swiftly to his destination, usually at Burn's.

RONALD NOWICKI

Hazel

Sportsman's Club 2,3; Basketball 2; Golf 1,2,3; Football 1,2,3; Track 1.

Another Fred Astair. Hazel got the "dancing bug" and didn't let it go. Now he is a first-rate "jitter-bugger." Not only dancing interested him but also sports, primarily football and golf. A real screwball.

JOSEPH OSTROSKY

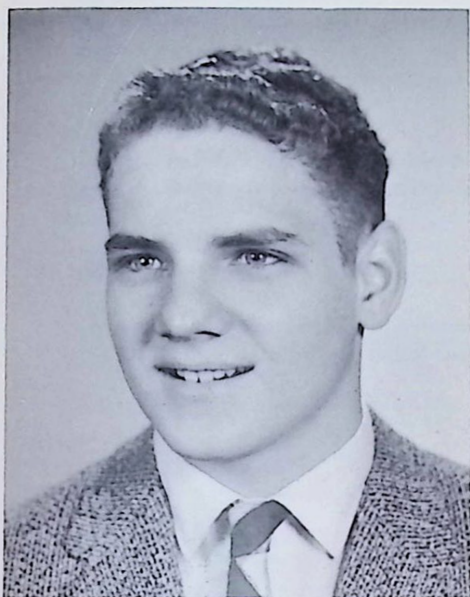

Sonny

Never studied . . . but always managed to pass. Looks quiet and bashful but then looks are sometimes deceiving. Could usually be found huddled with a mob of guys, talking over the news.

RICHARD PAZOR

Zorro

Rich liked to raise the roof with his teasing, and more often than not he succeeded. Joy-riding in his little green convertible was his one desire.

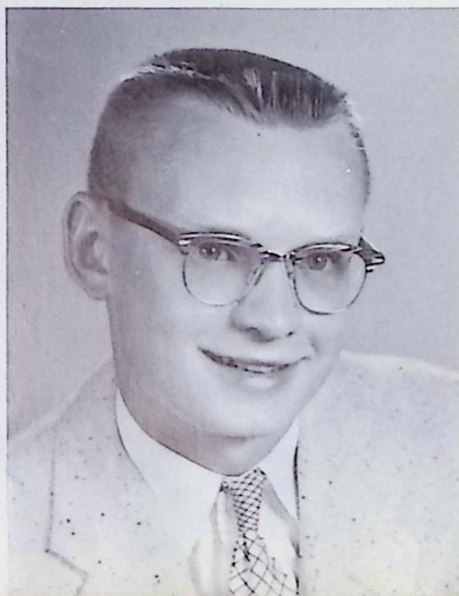

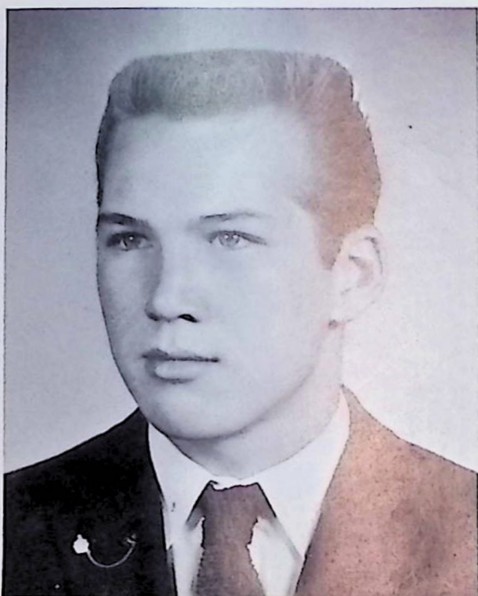

DANIEL MYERS

FRED PIFER

FRED PIFER

Track 2,3.

Once Freddie was wound up he never ran down. He always managed to find something to talk about to Beno, his faithful buddy. Always eager for track to start.

PATRICIA ANN RHODES

Patty

Scottie Revue 3; Commercial Club 3; Cheering Section 2; Journalism Club 2; G.A.A. 1,2,3; Tri Hi-Y 1,2,3; Chorus 1,2,3; Dramatics 3.

Fun-loving and carefree. A whacky character that kept everyone rollicking with her witty remarks. A thorn in Mr. Seeses' side. Laughter is the best medicine and she sure is healthy.

MICHAEL ROBBINS

Mike

Class President 3; Student Council President 3; Honor Society President 3; Scottie Revue 3; Yearbook 3; Camera Club 2,3; Disc Jockey's Club 3.

The most deserving senior in our class. As our school photographer he really did click. Felt at home on the stage making announcements. His abundance of knowledge will destine him to a great future.

ROY ROSE

Roy

Code-Slide Rule Club 3; Dramatics 3.

He came to us in our senior year from "Mar's" — Township — that is. His "out of this world humor," quickly gained him many new friends and companions. Busy studying chemicals is he . . . Some day a chemist he'll be.

RAYMOND ROZYCKI

Ray

Cheering Section 1,2.

Finding enough time to putt around in the Merc was the only problem he could concentrate on. He would do anything for anyone. To him "a friend in need is a friend indeed."

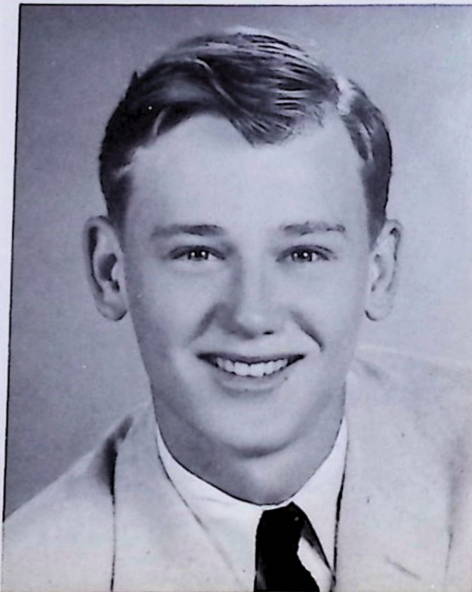

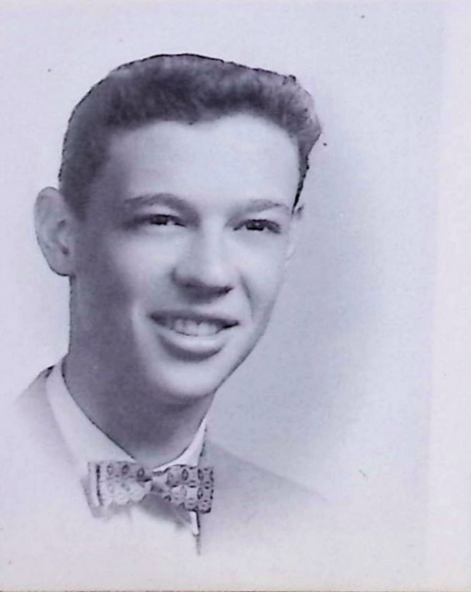

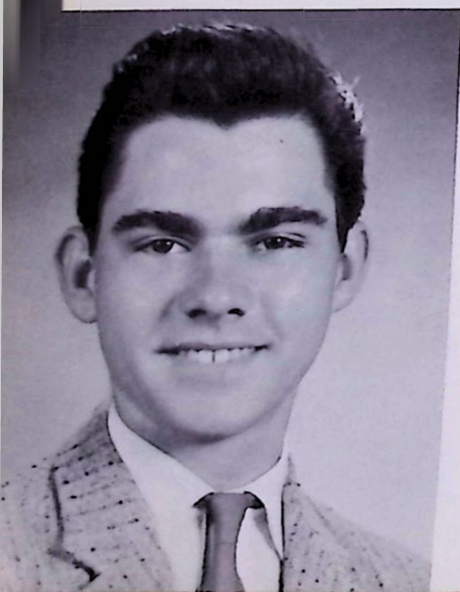

PATRICIA ANN RHODES

MICHAEL ROBBINS

ROY ROSE

RAYMOND ROZYCKI

Class of '59

JAY SCHROYER

Football 1,2.

Aptly described as tall, dark, and v-e-r-y handsome. His bright blue eyes noticed no one but . . . Barb . . . and vice versa. His bright, blue, Chevy was second to his heart.

Jaybird

BERNARD SERWINSKI

Bernard is the shy, quiet type . . . quite a nice boy when you get to know him. One of the gang from Everson, who could always be seen with Joe.

Pinky

CAROL SHANNON

Cheering Section 1,2; G.A.A. 1,2,3; Tri Hi-Y 1,2,3.

The cutest little thing this side of heaven. Short, dark, naturally wavy hair sets off her creamy complexion just right. Swimming at Lake Forrest was just one way of lulling the time away for Carol.

Carol

KENNETH SHERBONDY

Scottie Revue 3; Cheering Section 1; Journalism Club 2; Dramatics 3.

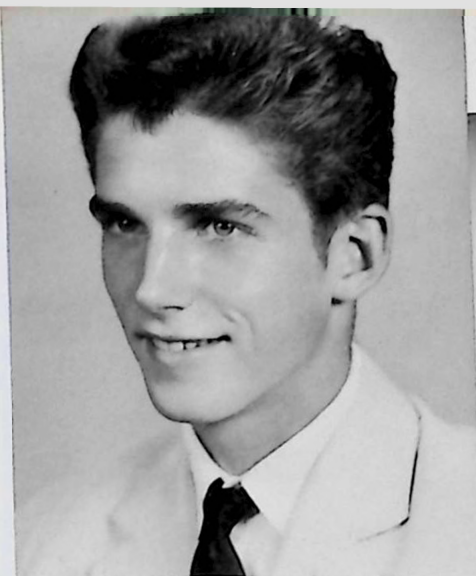

Boxy knew the art of conversation — the ability to be a good listner. He won't let his "graduation mean good-bye" to that petite junior who holds the key to his heart.

Boxy (Part II)

CONSTANCE SHIPLEY

Our one and only natural radiant redhead. Didn't have much interest in school but really loved those weekends. Could really "chew the rag" with Jul.

This tall willowy brunette has a lot on the ball. A good student with a keen sense of humor, good looks, and an outgoing personality. She really put her heart into her cheers.

ROBERT SKILONE

Beno

Football 3.

Never let his studies interfere with social life. Doesn't give the girls a break, took a side-lines stand when it came to romance. Made those early morning trips to room one.

JULIANNE STANKIEWICZ

Jul

Tri Hi-Y 1,2.

An incessant chatterbox who was usually chirping during every class, the students loved it but the teachers were a bit dubious about it. Jul had trouble with the railroad company . . . they scheduled their trains the same time she wanted to cross the bridge.

MARLENE STONER

Mar

Cheering Section 1,2; Journalism Club 2; G.A.A. 1,2; Tri Hi-Y 1,2,3.

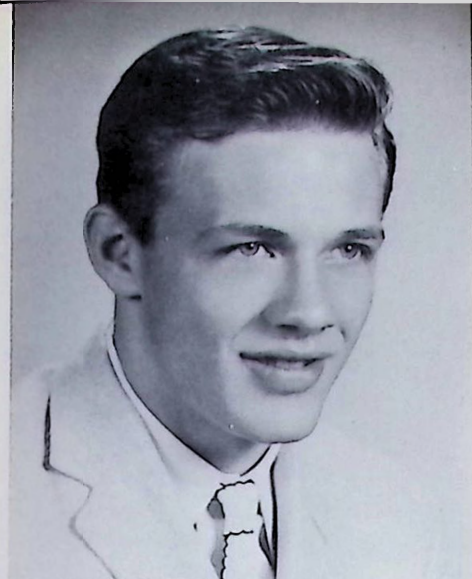

Marlene has the cutest dimples in school. Add a happy disposition and you'll know why this petite brunette is well-liked. Knows what she wants out of life and goes after it.

EUNICE STRABLE

Eunice

Scottie Revue 1,2; Student Council 1; Honor Society 2,3; Band 1,2,3; Journalism Club 2; F.H.A. 1,2,3; Chorus 1,2.

A possessor of brains, naturally curly hair and artistic ability. She could make her violin sing a beautiful song. Her scholastic rating was always one of the highest.

MARY SWANK

Class of '59

JAMES SUHAN

Track 1,2,3.

Just one sport this guy enjoys, that's track. Running in the race was nothing to him he just breezed by the finish line with ease. Didn't mind coming to school if he knew that the teachers weren't going to be there.

JESSE SWANK

A cute chap with dark curly hair & timid smile. He never caused his teachers worry or fret because they never knew he was there . . . he was sooooo quiet. Didn't have any time for girls.

MARY SWANK

Chorus 1,2,3.

If you heard a melodious voice ringing from the chorus room . . . you knew it was Mary. Another of the lunch bucket brigade that really enjoyed those noon hour dances.

JUDY SWINK

Band 1,2,3; Commercial Club 1,2,3; G.A.A. 1,3; Dramatics 3; Tri Hi-Y 1,2,3.

Everyone was envious of her cute giggle and wiggle . . . which none could imitate. The first to come and the last to leave the cafeteria yet kept so slim and trim. A real screwball that caused a riot in Office Practice.

BONNIE TAMBLYN

Cheering Section 1; Tri Hi-Y 1.

Took care of her extra money problems by getting a job as a part time clerk at Fort Pitt. She had many friends because she was thoughtful and co-operative.

JOSEPH THOMAS

It's hard to say whether his teachers gave Joe a rough time or whether they gave him one. Refused to take school seriously. Definitely not interested in books or homework.

STONER TRACY

Class President 2; Student Council 2; Honor Society 2,3; Basketball 1,2,3; Hi-Y 2; Football 1,2,3; Track 1.

Brawn plus brains! Ohhhh . . . that physique . . . really made the females swoon. As a sophomore he won the Scholastic Achievement Award. A magnificent sports enthusiast, exceptional in all of them, especially basketball.

BRENDA ULERY

Commercial Club 1,2,3.

A tiny little bit of a thing was our girl Brenda. Never too busy to be polite, but always managed to help get things done. Liked Mrs. Christner and her classes, but that short-hand homework was for the birds.

HUGH UTTERBACK

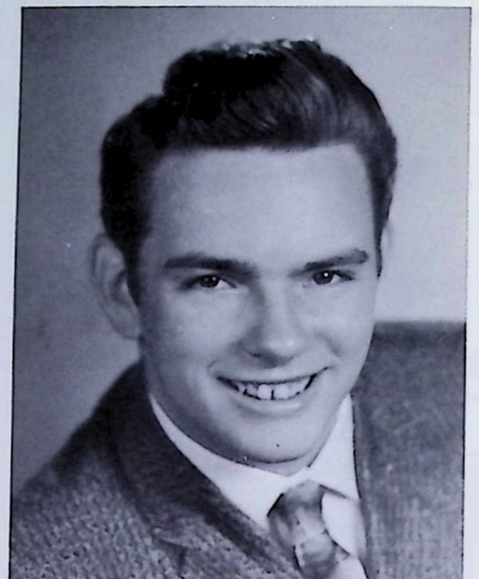

Yearbook 3; Disc Jockey's Club 3; Camera Club 3; Scottie Revue 2; Journalism 2; Dramatics 3.

Everybody's handy helper — always willing to get a school project underway. One of the class clowns . . . a clever humorist who could really arouse a chuckle. Hugh was never at a loss for words and could talk his way out of any situation.

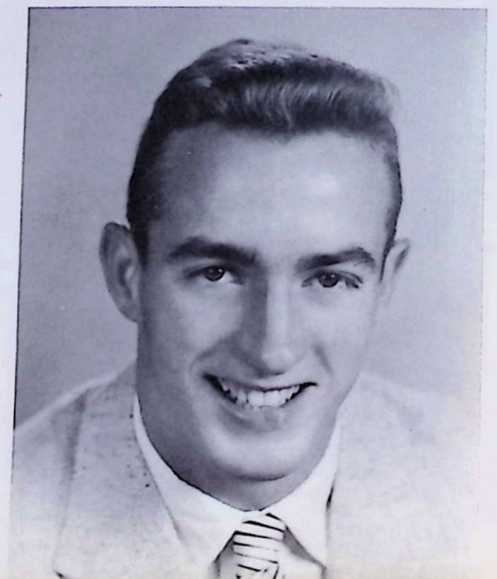

JACK WALL

Basketball 1,2,3; Chess Club 3; Football 1,2,3; Track 1,2,3; Letterman 1,2,3.

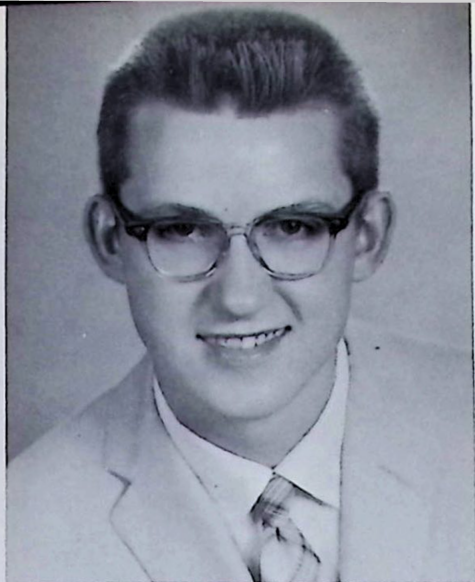

One of the greatest halfbacks in the history of our school. A small but mighty guy that really chalked up the points. Also favored basketball. An all-round guy.

Journalism Club 2; Track 2; Chorus 1,2,3; Dramatics 3.

A truly great kid. Wonderful personality, undying perseverance, and an unmatched sense of humor were his claims to fame. An above average student with a desire to succeed . . . he will, too! Everybody's friend.

DORIS WARRICK

Toot

Commercial Club 1; Tri Hi-Y 1.

Another Rembrandt! Had an amazing artistic ability . . . could draw or sketch anything. Liked all types of sports and attended all the athletic events at school.

LUELLA WATSON

Luella

Commercial Club 3; Student Librarian 3.

A book is her best friend, enjoys them more than anything else. Serious-minded most of the time but there are those moments when Luella lets go and then b-a-n-g, look out.

JOSEPH WATT

Joe

Code-Slide Rule Club 3; Hi-Y 3; Disc Jockey's Club 3.

His blond hair made the girls all stare. A crazy laugh that no one could imitate. While in a spin over his latest crush he kept busy by spinning discs at the dances.

ARNOLD WEAVER

Butch

Class President 1; Student Council 1,2,3; Basketball 1,2; Hi-Y 2; Football 1,2,3; Track 1,2,3; Chorus 2; Lettermen's Club 2,3.

Rates high on the list as one of the nicest senior boys. Courteous, charming, sincere and everything else anyone could ask for. Really played tremendous football this last season, just "The Greatest."

CHRISTINE WHITT**Chris**

Scottie Revue 3; Cheering Section 1; Cheerleader 2,3; Camera Club 3; G.A.A. 1; Tri Hi-Y 1,2,3; Journalism Club 2.

Blonde hair and bright rosy cheeks were her two assets, along with a beautiful figure . . . of course. Energetic, peppy and full of life was this cute cheerleader. Chris always found a way to those out of town dances with Peanut and Gerry.

RICHARD WICKER**Wick**

Football 2,3; Track 3.

Wick always appeared to be shy, and reserved till the senior year and then . . . BOOM . . . the quietness exploded like a bomb. Sent the girls' heads reeling with that massive physique.

RICHARD WISHART**Woody**

Student Council 3; Basketball 2,3; Hi-Y 2,3; Football Manager 3; Dramatics 3.

Never a DULL moment when Woody's around. Wonderful sense of humor combined with good looks were just some of the reasons why this guy sent the girls' hearts a-flutter. That ornery twinkle in his eye kept them all guessing.

He is not dead — this friend — not dead,
But in the path we mortals tread
Got some few trifling steps ahead,
And nearer to the end;
So that you, too, once past the bend,
Shall meet again, as face to face, this friend
You fancy dead.

In assisting with the work of the school they are also learning to become good citizens.

Some of the Student Council's 1958-59 activities included bringing order to the halls of SJHS by appointing monitors, assigning assemblies to the various classes and clubs, selling refreshments at the basketball games, and decorating the foyer at Christmas time.

A group of sixteen hardworking students under the direction of Miss Virginia Miner made up the editorial staff of the Scottie Revue this year. Much of the work was done in the Journalism class, a credit subject which is in its second year. The members of the staff did all their own reporting under the leadership of the editor-in-chief Patti Barber and the managing editor Nancy Rush. Mr. Donald Bischoff is also an advisor for the paper and has helped the staff many times. This year a new feature the "Scholastic Rato," was added to the paper. Many out of school hours were put in by the members of the staff and praise is handed their way for the excellent job they have done and for the fine way they kept the students of Scottdale well informed.

A horseshoe was formed by the band to wish good luck to the following seniors: band members

Hey! Did you see that new Mechanical Drawing Room? That's the hangout for the staff working on the all New "SCOTTIE." How about that advertising; we are going to have a lot better annual this year, so it will cost a little more. We need some more action shots of the students in our new school. Some of the write-ups are a real challenge to a developed mind. Those deadlines looked almost unmakeable but the staff got behind it and pushed through with flying colors. We as a staff feel fortunate to be the first staff to produce a "SCOTTIE" in the new building. We are making this copy extra appealing by declaring it to be a souvenir copy. The staff gives to Mr. Gray a vote of thanks for the very fine pictures and the invaluable help in meeting our deadlines. The faculty sponsors were faithful stand-bys again this year.

In addition to their fine halftime performances at every football game, during which they exhibit many fine formations and drills, they have performed at all the pep rallies and at many assemblies. Many of the parades in Scottsdale would not be complete without the appearance of the Scottie Band. In addition several of the members attended District and County Band. We sincerely hope that Mr. Hazen and the band will keep up the fine work that they are doing. Three members of the band will be lost with graduation. They are: Eunice Strable, Jackie Muzina, and Judy Swink.

GRIDIRON QUEEN CAROLE HEISE

Names of the fifteenth Gridiron Queen of Scottsdale Joint High School and her attendants were announced at a pep rally by Mrs. Norris who had charge of the coronation. Amid the applause and tears of joy Carole Heise, who was elected Gridiron Queen of 1958 and her four lovely attendants, Patti Barber, Jackie Muzina, Barbara Moser, and Patty Hickey came forward. Little Cora Lee Beadling was chosen as crown bearer.

At last after many preparations the big night arrived and at half-time ceremonies during the Scottsdale-Norwin game Queen Carole was escorted down the field by the co-captains Arnold Weaver and Darl Lochinger who presented her with the crown and robe. Wearing the traditional white gown Queen Carole then presided over the Coronation Ball held in her honor in the new gym. An enjoyable evening was had by all who witnessed this gala event.

Dramatics Club returned as one of the school activities this year with Mrs. Norris as the sponsor. In February they put on a three-act comedy entitled "Professor How Could You," by Anne Coulter Martens. The cast was chosen from the junior and senior club members. The play was presented for a school matinee and an evening performance. The dramatics club members and their guests relaxed and celebrated after the play's last performance with a midnight buffet dinner and dancing.

During the school year the club members attended the meetings held twice a month and learned different phases of acting. Everybody at the beginning was assigned a basic pantomime and presented it before the club members for constructive criticism. Records were also used so that the club members would learn how to react to character situations and have the opportunity to act opposite famous actors and actresses. Later in the year short scenes were presented for the club with various members taking part.

The Easter assembly program was also sponsored by the dramatics club. The program consisted of choral selections and dramatic scenes featuring the religious background for Easter and the traditional Easter bunny.

Code & Slide

"The Beep-Beep Boys"

Code and Slide Rule Club is a new organization composed of members of the senior high school. Under the direction and sponsorship of Mr. Seese, participants learn how to work the slide rule and how to send and receive the Morse Code. The slide rule is a valuable instrument used by many math students and engineers for quick figuring. The code is helpful for those who have hobbies of short wave radios.

The club has only one officer, Neil Diven who was elected to his post almost unanimously. Although the members may never use any of the skills they learn, they have a lot of fun just learning.

D. J. Club

"The Down-Beat Boys"

The Disc Jockey Club, better known as the D.J. Club, is one of the new organizations that was started this year. The purpose of the D.J. Club is to provide recorded entertainment for dances sponsored by the school or various organizations connected with the school. The money that is earned is used for purchasing records which become the property of the club. The balance of this money is put into the Senior Class Treasury.

The D.J. Club also provided music for no charge to nonprofit parties and dances. The club is composed of six boys from the senior class and Mr. Ronco is their sponsor. The chief qualifications for membership is willingness to work together for the profit of the senior class. Six new members are taken from the Junior Class during the second half of the second semester.

The Scottsdale football team, under the leadership of Coach Joseph Gratson, had a very good season, winning seven games and losing only three. Arnold "Butch" Weaver and Darl "Buck" Lochinger were the co-captains of the 1958 season. The returning Backs were: Darl Lochinger, Stoner Tracy, Jack Wall, and Arnold Weaver and the returning Linemen were: Lynn Cossel, Tony Glowacki, and Ron Nowicki.

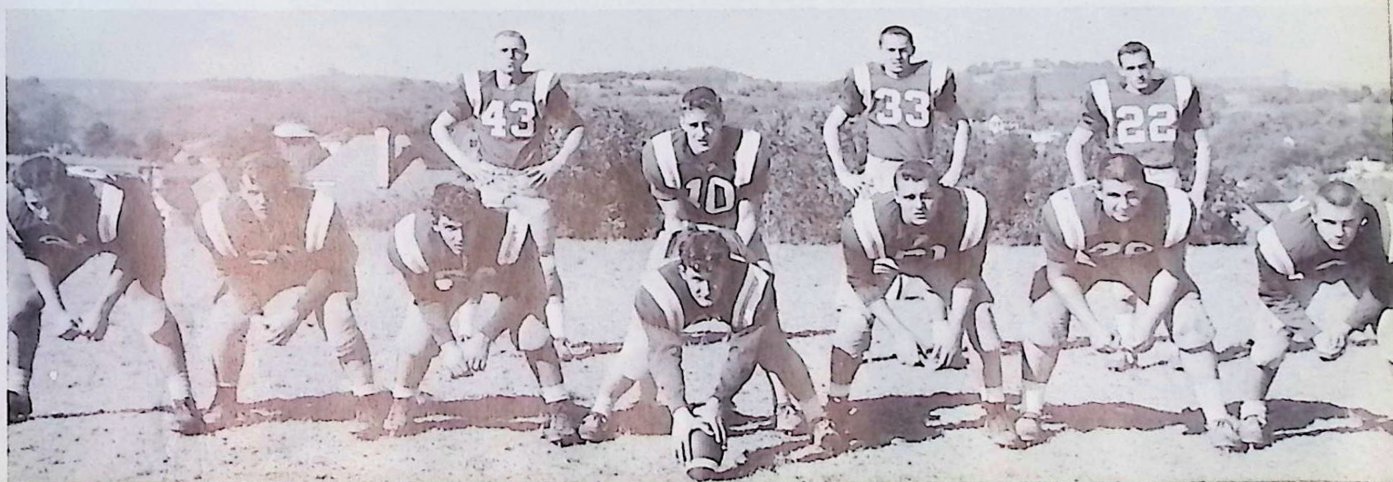

The Scotties started out the season with two wins over California and Penn Joint, losing a heartbreaker to Hurst in a heavy downpour. Scottsdale won two more games over Norwin and arch-rival Ramsay before being edged out on a 27-26 decision to Vandergrift. Three games more were won by Scottsdale, defeating

Rostraver, Dunbar, and East Huntingdon. Scottsdale, after the victory over East Huntingdon, was presented with a new trophy by Richard Kropff, which symbolized the rivalry between East Huntingdon and Scottsdale.

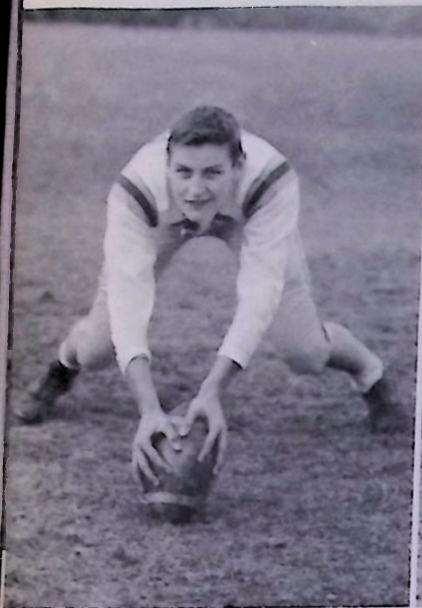

There are fourteen members of the football team which will graduate this year. They are, Bill Boyce, Lynn Cossel, Dan Devorak, Tony Glowacki, Paul Hill, Bob Hudson, Darl Lochinger, Ron Malone, Ron Nowicki, Bob Skilone, Stoner Tracy, Jack Wall, and Arnold Weaver, and Richard Wicker.

Jack Wall and Lynn Cossel were named to All-County Football Team while Dave Ramsey, Stoner Tracy, and Arnold Weaver were given Honorable mention.

VARSITY

The first half of 1958-59 basketball season ended in a tie with Rostraver for first place in Section 10. Tri-Captains, Stoner Tracy, Darl Lochinger, and Jack Wall, under the direction of Coach Harry Mehallick and Assistant Coach Jerome Marco, provided the Scottdale fans with some thrilling memories. The second half of the season looked bright until Hurst's "Hurricanes" caught us on an off night, thus ruining our chances of copping a Section playoff.

Other members of the team were McGovern, Fite, Cameron, Able, McDowell, Newell, and App who all made an impressive mark for themselves.

The team and the whole school can be proud of the showing they made in their first complete year in the new gym.

Track Speed and Brawn

Joe Kubic The faster miler in Westmoreland County. County Track Meet, at Latrobe, 1958

Scottdale expects to have a fine track squad this year, led by some of the veterans of the 1958 Scottie team. We have great strength in some events. Joe Kubic will be running the mile again this year. Last season our claim-to-fame was won by Joe who in four minutes and fifty eight seconds took first place in the All County mile, defeating opponents from thirty schools. In high jump there will be many experienced "track-stars" including Fred Pifer, Ron Malone, and

Chuck Millslagle. Our pole vault contenders will have veterans Lynn App and Neil Davis to lead the way. Eutsey, Suhan, Wicker, and Kiliany will add depth. It is expected that some of the lettermen from the '57 season will bolster the squad. A lot of talent from last years' freshman squad will be out there doing their best — namely John Terry, John Brilhart, Paul Pifer, Vaugh Palmer, Kominic DeSantis. Mr. Behanna and Mr. Marco will handle the track team.

FRONT ROW: L — R, L. App, C. Millslagle, J. Kubic, J. Suhan. ROW 2, R. Kiliany, J. Eutsey, F. Pifer, R. Malone, N. Davis, A. Wicker, J. Thoburn.

Golf

James Eutsey

Dennis Fite

In March, our fourth year of golf, our team will be looking down the fairways toward that little 4¼ inch hole and wondering how they will make out. This year the team will be coached by Mr. Banasick. Although Scottsdale's Konieczny is gone, Jim Eutsey, Denny Fite, Ron Nowicki, with the help of Frank Banko, will be do-

ing their best to uphold the tradition he set. Several other golfers are Jack Bluhm, Larry Mardis, Dell Klingensmith, and John Gearhart. As usual the matches will be played at Pleasant Valley Country Club. Practice will start in March and tournaments will start in April.

OUR GOLFERS: L — R, James Eutsey, Ronald Nowicki, Dennis Fite, Francis Banko.
